*Welcome in a world where details matter*

*Why be content with anything less than perfection?  
Beautifully designed accessories add colour, character  
and quality to a bathroom. We work on perfection  
every day, with heart and soul.*

Welcome

## Serena Hotel Nairobi – Kenya

### HOTEL COLLECTION

*“Beyond the bustle of Kenya’s most cosmopolitan metropolis, experience a haven of elegance and calm nestled among lush gardens at the edge of Nairobi’s Central Park. Our Nairobi hotel merges business and leisure, art and gastronomy and five-star style and service.*

*Nairobi Serena Hotel is a celebration of sophistication and a rich fusion of design influences from Ethiopia, the Maghreb, West Africa and East”*

Geesa, your partner in hospitality! Our accessories are created with the highest standards in aesthetics, functionality and ease of use. This has resulted in an authoritative international position in deluxe hotels and shipping. Today, our products have been installed in over 1100 hotels and cruiseships worldwide. Important chains such as the Holiday Inn, Intercontinental and Radisson Blu (SAS) have proclaimed Geesa as a preferred supplier. Ships such as 'Oasis of the Seas' and the 'Celebrity Solstice', each with 4000 cabins on board and thus the largest cruise ships in the world, have been furnished entirely with Geesa accessories.

*Anantara Al Jabal Al Akhdar  
Resort – Oman*

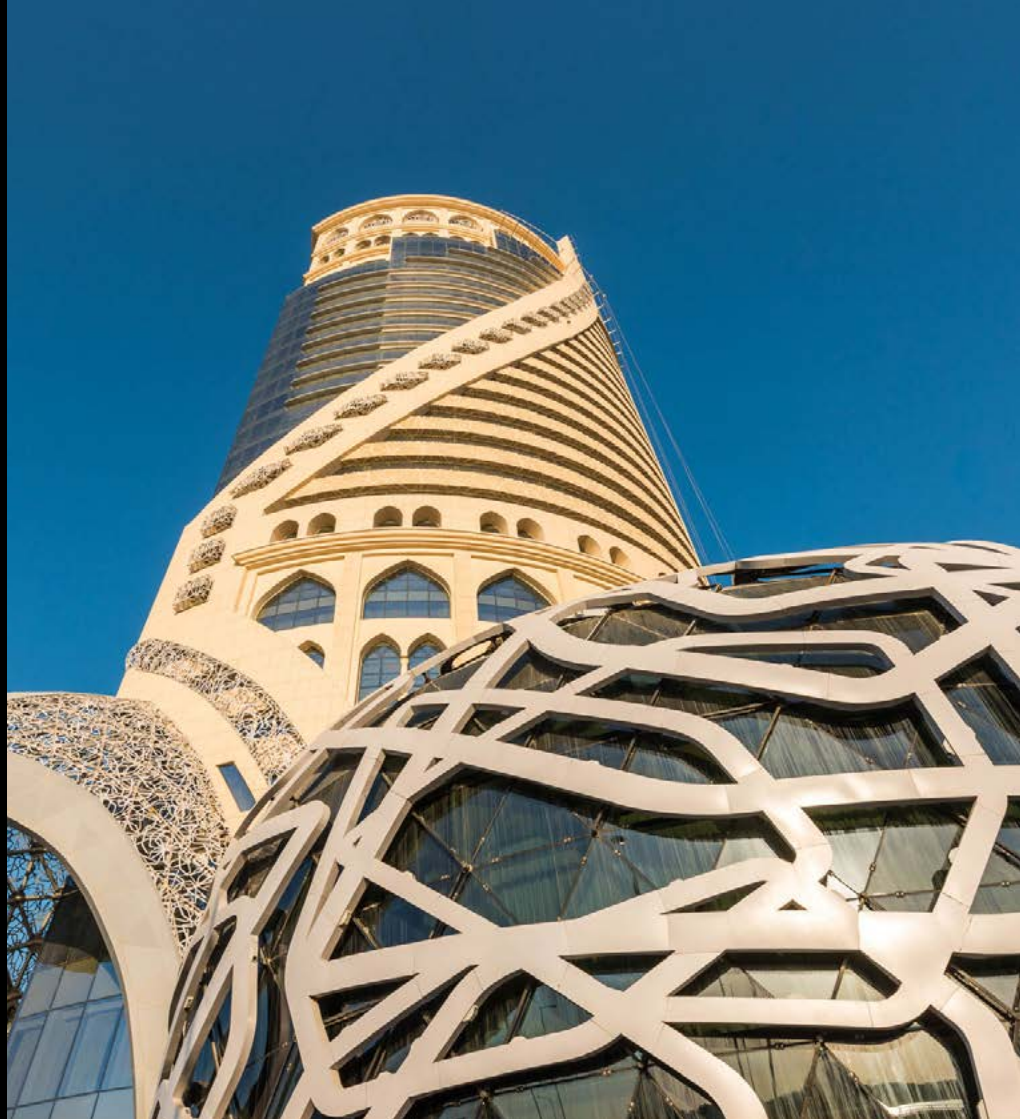

HAIKU

*"Elevated luxury reveals dramatic  
canyon views at one of the  
world's highest resorts"*

## Mondrian Hotel Doha – Qatar

HAIKU

*“Mondrian Doha, designed by Marcel Wanders, brings guests to a world where anything can happen, and around each corner lies another surprise. Featuring 211 bedrooms and 59 suites over 24 floors, the region’s very first ESPA, and a spectacular 2000 square metre ballroom with its own 24K gold elevator, Mondrian Doha redefines lifestyle in the city”*

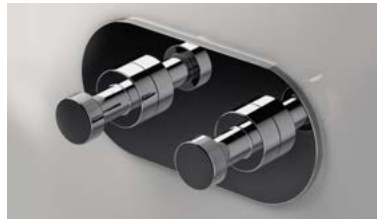

## Kempinski Hotel Ishtar Dead Sea – Jordan

NEMOX

*“Embrace the magic of Jordan’s most enchanting setting, where nature and history have so wonderfully conspired.*

*Luxurious accommodation, a symphony of culinary delights, flawless service, collection of spa treatments and breath-taking views await you!*

*Kempinski Hotel Ishtar Dead Sea is the most ideal venue from which to explore the rich culture and deep history of the area. This 5 star luxury hotel is situated on the edge of the famous salt lake - the lowest point on earth - and provides uninterrupted views across the vast sea towards the west bank and access to some of the most beautiful scenery in the world, including religious sites and majestic countryside.”*

The bathroom is one of the most essential parts of our lives, and is therefore required to provide optimum comfort and functionality, particularly in view of their intensive use in projects. Our extensive and long-term experience in this trade and consultations with our clients have enabled us to realise a selection of items which have been bestsellers in the project market for decades and have proven their suitability for use in hotels, cruise liners, housing projects and nonresidential and non-civil building.

# Why Geesa?

# We offer you

## We offer you

- *Proven bestsellers with references from prestigious projects*
- *An optimum combination of functionality, comfort, design and durability*
- *Items which are easy to mount and maintain*
- *Excellent price/quality ratio*
- *Rapid availability*
- *Tailormade logistics*
- *Bespoke: custom-made work is possible for large orders*
- *A choice in various categories from budget to deluxe and from classic to modern*

### ***Seabourn Encore***

*The Seabourn Encore is a ultra-luxury cruise ship delivered at the Marghera shipyard in Italy. The ultra-luxury cruiser counts 300 spacious suites with private balcony. Every quest will enjoy an extraordinary level of treatment and personalised service, with a nearly one-to-one staff-to-quest ratio. Furthermore the ship has 238 crew cabins. Due to its high quality level and almost organic shapes, the architect decided in consultation with the owner to furnish the ship with the Geesa Wynk collection.*

*Elite Hotel Mimer  
Umeå – Sweden*

WYNK

*“The former school building is now transformed into a beautiful quality hotel with high 4-star standard in central Umeå. It offers unique rooms with proper ceiling height, spectacular restaurant and cosy relaxation area.*

### *Costa Smeralda*

*The new Costa Smeralda will be built by Meyer Turku in Finland. It will be among the first cruise ships powered by LNG, spurring the development of this green technology. US based Carnival Corp. is the owner of the ship. The 6,518 passenger ship will be launched in October 2019. It will weigh in at 182,700 gross tons and will have 2,612 staterooms fully equipped with a mixture of Geesa collections. For the 900 crew cabins they have chosen for the Geesa Hotel collection.*

*Hilton Leningradskaya in Moskouè  
Luna, Hotel, Standard 350 rooms*

### *Oasis of the Seas*

*This huge cruise ship measures 361 meters in length and has an astonishing height of 72 meters. The gross tonnage is 225,000, while its maximum capacity is 6,360 passengers and 2,100 crew. Therefore it's by far the biggest cruise ship in the world. Furthermore the ship features 16 passenger decks and 2,704 state rooms plus another 1,181 crew cabins. The ship is owned by Royal Caribbean Cruises in Miami. The entire ship has been completely equipped with Geesa accessories. The same is the case for his successor: Allure of the Seas.*

### *Safe Boreas*

*After many homes, hotels, cruise ships, holiday parks, hospitals, public buildings and even football stadiums around the world, we can also reckon an oil rig among our users. We are very proud that all four Safe Boreas oil rigs (400 cabins each), are equipped with our Nemox stainless steel collection.*

## Roomers Baden Baden – Marriott Autograph Collection – 5 Star hotel

MODERN ART AND NEMOX  
281 Rooms Design Piero Lissoni  
*A vibrant hub for hotel guests and  
locals alike.*

*Pan-Asian cuisine combined  
with award-winning bar culture.  
Featuring spa, gym and  
Rooftop pool.*

*Courtyard by Marriott Hamburg  
4 Star Hotel \*\*\*\*  
MODERN ART  
277 Rooms Design Contura*

*Andaz München  
5 Star hotel \*\*\*\*\*  
MODERN ART  
276 Rooms, Design Concrete Design*

### **AIDAnova**

*This is a new ship of the next AIDA ship generation. The AIDAnova exceeds 180.000 gross tons and has a capacity of more than 2,500 staterooms. It will join the AIDA fleet in 2018. All rooms in this ship have been provided with the latest Geesa innovation; Nemox click. An easy to mount and highly durable bathroom accessory line.*

### **Disney Fantasy**

*This has been built in 2011 and has a tonnage of 130.000 gt. It counts 18 decks and has 1250 passenger cabins plus another 650 crew cabins. The Disney Fantasy is tailored to the needs of families and combines innovative ship design with a broad variety of entertainment. All the staterooms carry the minimalistic but functional Geesa Nemox collection. For the crew units the Disney designers has chosen for the no nonsense but also functional Geesa Hotel collection.*

### **World Dream**

*The World Dream is a new ship of Dream Cruises, the leading cruise company in Asia. It has a length of 335,35 metres and counts 1,680 cabins. All staterooms and crew cabins have been fully equipped with Geesa bathroom accessories. The Nemox collection was provided for the state rooms and our hotel collection for the crew cabins.*

#### REGENT SEVEN SEAS EXPLORER

*This is a 7-star ultra-luxury cruise ship built by Fincantieri in Italy. Gross tonnage is 55,254 grt and overall length 223,6 m. The ship has 377 passenger cabins and 325 crew cabins. Because of its subtle and functional design (round shapes) the architect decided again to opt for the Nemox collection of Geesa. Therefore all the staterooms have been fully equipped with this perfectly stylised range of products.*

We are involved in and feel responsible for the environment in which we operate. We focus on minimising our carbon footprint and on being an excellent employer at home, with a loyal and service-oriented attitude towards our partners and buyers.

Our entire selection is developed in Amersfoort. Geesa is ISO 9001-2015 certified for product development, production and delivery of bathroom accessories.

### *Sir Adam, Amsterdam*

*The Sir Adam Hotel is fully equipped with our Nemox collection. Sir Adam is an urban lifestyle boutique hotel on the first eight floors of the A'DAM Toren. Together with renowned music companies like ID&T, Massive Music and Gibson Guitars, Sir Adam will make sure that this house of music will be rocking 24/7!*

Design is among the main guidelines in everything we do and is inextricably bound up with optimal functionality. Our mission is to take up and uphold a leading position in the international market. We have ensured loyal and excellent partners all over the world. Feel free to contact us as we are happy to provide any advice and solve any bathroom challenge.

### **Norwegian Encore**

*The Norwegian Encore is a new Breakaway-Plus class cruise ship owned by Norwegian Cruise Line. It will be ready for delivery in the fourth quarter of 2019. The Norwegian Encore will be 167,800 gross tons and include 3,889 passenger berths. Part of the ship will be equipped with the Geesa Hotel collection.*

### **Ovation of the Seas**

*In 2017 Meyerwerft delivered the 168,880 GT state of the art cruise ship Ovation of the Seas, the third ship of the Quantum-class ships, to the US cruise operator Royal Caribbean Cruises Ltd. (Miami). With an overall length of 348 meters and width of 41,4m and 2,094 staterooms it is one of the biggest cruise liners of RCI. The ship has been fully equipped with Geesa. A mix of Bloq, Hotel and Nemox has been used for the staterooms and crew cabins.*
