tungt-logistikk.no

Logistikk
& ledelse

TARGET GROUP

Logistikk & ledelse covers the entire logistics chain and is the marketplace for procurement and logistics managers, daily managers, IT managers and other decision-makers.

It is possible to advertise to our target groups both on our own websites and in the Google Display network (major Norwegian websites, local newspapers, Youtube, etc.)

CONTENT MARKETING

Content Marketing is an advertising product where you as an advertiser publish your own article on Tungt-logistikk.no. Article is delivered "finished", or we can help you get in touch with people who can make the articles. We then adapt the article so that it can be published on tungt-logistikk.no. The article may contain fact boxes, and links linked to your own website. We also support video.

A Content article will be marked "Advertisement" in accordance with editorial responsibility and PFU rules.
