

Webinar Offensive

Take advantage of our online training sessions!

Dear customers,

we would like to support you as best we can in the current situation and continue to be at your side with advice and action. Since personal discussions and training cannot currently be held on site, we have launched a series of webinars on products and news from Röchling, which we would like to continue in the coming week.

Next week's topics will be:

| | | | | |
|--|-----------|------------------------|---------------------|-------------------------------|
| WEB0331-EN | Tuesday | 31.03.2020 9:00 Uhr | SUSTAMID® 6 FR | Speaker: Philip Rosenbaum |
| Registration link: https://attendee.gotowebinar.com/register/507920901759243532 | | | | |
| WEB0401-EN | Wednesday | 01.04.2020 9:00 Uhr | Food grade products | Speaker: Norbert Hendel |
| Registration link: https://attendee.gotowebinar.com/register/2628347767622869772 | | | | |
| WEB0402-EN | Thursday | 02.04.2020 9:00 Uhr | Ballistics | Speaker: Ansgar Holtermann |
| Registration link: https://attendee.gotowebinar.com/register/8787722845978083853 | | | | |
| WEB0403-EN | Friday | 03.04.2020 9:00 Uhr | Foamlite® | Speaker: Benjamin Jose |
| Registration link: https://attendee.gotowebinar.com/register/5794934658548526859 | | | | |

The duration of each webinar is approximately 15-20 minutes. The language is English.

For registration please use the registration links attached to each webinar. Simply click on the link and you will be redirected to a registration form. In case of any questions about our webinars, please contact webinar-hpp@roechling-plastics.com.

You are welcome to forward this email to colleagues.

We will continue to inform you about our upcoming webinars in German and English language.

Kind regards

Your Röchling Industrial team
